## APPENDIX - ATHLETE SAFETY REQUIREMENTS

All U.S. participants in this competition are subject to the requirements outlined in the USOPC Athlete Safety Policy available at: <http://teamusa.org/USOPCAthleteSafetyPolicy>. Adult Participants are required to comply with the Mandatory Components of the Minor Athlete Abuse Prevention Policies (MAAPP) as formally incorporated in Section 4.3 of the USOPC Athlete Safety Policy, and available at: <http://teamusa.org/maapp>. Participating in our events also comes with certain responsibilities, such as requirements to report Prohibited Conduct, to include violations of the MAAPP, as outlined in Section 6 of the USOPC Athlete Safety Policy, as well as completing training as outlined below.

### **U.S. Center for SafeSport Training**

All U.S. athletes (18 years and older), coaches, and support staff requesting accreditation must complete, or have completed within the last calendar year, the U.S. Center for SafeSport's Core training, or applicable Refresher training course if they have previously taken the Core training. The training must be completed prior to arrival at the event and must be valid through the conclusion of the event. Please note, WPAS membership with SafeSport training that is valid through the conclusion of the event will be accepted. Please submit proof of completion and expiration date of your most recent SafeSport training to Reagan Folaron at [Reagan.Folaron@usopc.org](mailto:Reagan.Folaron@usopc.org).

The training can be found at the link below:

<https://safesport.org/useractivities/index>

Depending on the required course, it will take between 30 to 90 minutes to complete the training, and it is free for registered event participants. Please email Reagan Folaron if you need help accessing the training and email a copy of the certificate of completion to Reagan Folaron at [Reagan.Folaron@usopc.org](mailto:Reagan.Folaron@usopc.org) at least two weeks prior to the event.

If you are a minor athlete, completing the training is not required, but we recommend you work with your parent/guardian and take one of the free youth training courses offered by the U.S. Center for SafeSport. The U.S. Center for SafeSport also makes resources available to parents regarding abuse prevention in sport, to include the Parent Toolkit, and free online training. Training for both minor athletes and parents is available at: <https://uscenterforsafesport.org/training-and-education/training-and-education-services/>.
