

Appendix

COVID 19 Safety Plan

General

- All 3 races will take place at the Eagle Race area
- Race attendees will follow all US Ski and Snowboard COVID 19 event guidelines found [HERE](#)
- Race attendees, staff and volunteers will follow all PCMR base area guidelines
- Tracy Meier (NAC Program Director) will be the COVID 19 Coordinator and Event Co-Chairperson for 2020-21 Huntsman Cup event
 - Phone# 757-617-0327
- Erik Leirfallom (NAC High Performance Alpine Head Coach) will also Co- Chair the event
 - Phone# 303-579-7088
- Athletes, staff, and volunteers will maintain physical distancing at all times possible
- Face coverings are always required on the mountain except when racer is on course. All others will wear a face covering at all times.
- Daily Wellness survey will be submitted by visiting Team Captains for all staff and athletes in trade for daily lift tickets to the COVID 19 Coordinator
- National Ability Center Staff, Athletes, and Volunteers will maintain our current NAC wellness survey protocol
- Hand sanitizer will be available throughout the event
- Bibs will be assigned to athletes for all days. If this is not possible, bibs will be sanitized daily.
- All event functions will occur in open air or open sided “easy up” tents
- Event staff and volunteers will use radio communication to allow physical distancing
- Event flow will be designed with separation in several locations around base area

Athlete Load and Unload and Staging Area

- Roped off area at Base of First Time, lookers right, just uphill of Ski Patrol will be staging area.
- Each team will have an area within this space for their athletes to stage.
- NAC athletes will utilize NAC Mountain center to limit the number of people in this area.
- Visiting teams will load, unload, and park in the lower First-Time parking lot
- ADA porta-toilet will be brought in for athletes/staff only if needed

Lift line and Chairlift

- All resort rules will be followed and enforced

Start Area

- Distancing required and maintained
- Mask must be worn until in the start
- Starter and Start RF will maintain distance when possible and wear a mask at all times

Event schedule (Draft)

- Condensed schedule listed below will be used. Goal is to have race complete by 1pm
- Example order of the program (Draft):
 - Set up (Begin 8am)
 - Inspection (9-930)
 - Run 1 (10-11)
 - Redress (11-1130)
 - Run 2 (12-1)
 - Tear down

Finish area

- All officials will maintain distance and wear a mask
- Maintain only 2 people in the timing shack
- A Scoreboard will not be used, and times will be announced (live timing possible?)
- Once athlete completes their run, they will put on their face covering
- Food and drinks will not be distributed. Individually wrapped granolas bars will be available.

Volunteers

- Volunteers will be checked in, health checked, and assigned from the mountain center following NAC protocol
- Staging will occur in roped off area outside of mountain center in plaza
- Event will use minimum number of volunteers required
