I. Rules:

The International Ski Competition Rules – Joint Regulations for Para Nordic Anti-Doping activities will be carried according to the FIS Anti-Doping Rules FIS Para Nordic Points Rules

II. Protection Regulations:

With the registration the associations and starting communities ensure the match ability of their athletes. All participants must be in the possession of a valid sport health and starting passport

The sport health certificates must be shown to the competition office before the official beginning. The last medical examination in the sport health certificate may not be older than 12 months (counted from the last day of the competition). Participants which do not fulfill these conditions are losing their starting rights. Foreign participants must be in the possession of an appropriate medical permission of a disabled athletes federation or the international starting passport.

III. Anti-Doping Regulations

The regulations of Deutscher Behindertensportverband e. V. (DBS, German Disabled Sports Federation) outlaw any type of doping.

The Anti-Doping Code of DBS applies in conjunction with the regulations of the World Anti-Doping Agency (WADA), the National Anti-Doping Agency of Germany (NADA) and, in international competitions, the regulations of the responsible international sports federation (hereafter: anti-doping regulations).

With the submission of his or her application, the participant acknowledges and accepts the anti-doping regulations in their currently applicable version (available at www.dbs-npc.de).

Doping controls may be carried out randomly.

With the submission of his or her application, for any disputes arising from or related to anti-doping regulations, the participant acknowledges and accepts the responsibility of NADA for the results management and the initiation of disciplinary proceedings according to the National Anti-Doping Code (NADC), as well as the responsibility of the German Court of Sports Arbitration at the German Institution of Arbitration (DIS) for any adversary proceedings of first instance according to the DIS rules of arbitration without recourse to any ordinary court of law. This also applies for any preliminary or interlocutory proceedings.

In case of the taking of any prohibited substance or using of any prohibited method according to the currently applicable version of the WADA Prohibited List, it is the participant's sole responsibility to apply for a Therapeutic Use Exemption (TUE) in a timely manner and to submit a valid TUE or valid medical certificate in case of a doping control.

IV. Insurance and Liability:

The Organizer and Host assume no responsibility for accidents that occur during any sporting events or during travel to and from the events, neither for participants nor public alike.

With the registration the contestant waives any legal claim on the organizers, on a third party, or on any legal entity or person in connection with the organization. With the registration, the contestant acknowledges that he or she is physically fit and sufficiently trained to participate in this event.
