WELCOME

Welcome to Altenberg and Dresden, the two cities partnering up to organize a World Para Nordic Skiing World Cup in 2020. This will not only be the first time where Para Nordic athletes and able-bodied athletes compete together, but it will also be the first World Para Nordic Skiing World Cup in this region!

The events will take place from January 11th to 19th, on the bank of the river Elbe in Dresden as well as in the Sparkassen-Arena Altenberg.

“It is our pleasure to host and organize such a big international sports event in Altenberg and Dresden. For the people in Saxony, a Para Sport World Cup is an exciting experience that shows what people with disabilities can achieve!”

- Thomas Stantke, LOC Chairman

“We are very happy about the World Para Nordic skiing World Cup in Altenberg. Our city has a long tradition of promoting inclusion. In 2011, the National Winter Games with 600 athletes with intellectual impairments from all over Germany took place in Altenberg. Who once came to our beautiful Ore Mountains will always come back.”

- Thomas Kirsten, Mayor of Altenberg

All Teams have to take care on their own for the journey arriving Dresden and departing from Altenberg. For teams arriving at the Airport Dresden, the LOC will organize a way of transport to the hotels in the city. Furthermore, a shuttle will be provided between the hotels and the venue.

On Monday, January 13th, a transport will be organized to convey all teams from Dresden to Altenberg.

Accommodation

Arriving in Dresden there will be three different hotels for the teams, all of them very convenient and comfortable. The hotels are located on the other side of the river Elbe, meaning there will be a shuttle service to the venue for sitting athletes. Nevertheless, all hotels are in walking distance to the training and competition track for other athletes and staff members.
