All participants must be in the possession of a valid sport health and starting passport. The sport health certificates must be shown to the competition office before the official beginning. The last medical examination in the sport health certificate may not be older than 12 months (counted from the last day of the competition). Participants which do not fulfill these conditions are losing their starting rights. Foreign participants must be in the possession of an appropriate medical permission of a disabled athletes federation or the international starting passport.

V. **Anti-Doping Regulations**

The regulations of the Deutscher Behindertensportverband e.V. (German Disabled Sports Federation DBS-NPC) clearly outlaw any type of doping.

The Anti Doping Code of the DBS applies in conjunction with the regulations of the WADA, the IPC, the NADA and – at international competitions – the regulations of the international host federation.

By submitting his or her application as a participant, the athlete acknowledges and accepts the anti-doping regulations in their currently valid version (available online under www.dbs-npc.de).

Athletes are not allowed to take or carry with them any substances that are included on the WADA Prohibited List. Athletes who are found to have violated this rule shall be held individually responsible for their action. Athletes who are taking medication from the (most recent) WADA Prohibited List for therapeutic reasons will need a copy of their Therapeutic Use Exemption (TUE) for any generally prohibited substance.

II. **Insurance and Liability:**

The Organizer and Host assume no responsibility for accidents that occur during any sporting events or during travel to and from the events, neither for participants nor public alike. With the registration the contestant waives any legal claim on the organizers, on a third party, or on any legal entity or person in connection with the organization. With the registration, the contestant acknowledges that he or she is physically fit and sufficiently trained to participate in this event.
