Yabuli skiing resort is the most famous and oldest skiing resort in China where many national and international competition were held. We have accessible facilities and Chinese para team trained here for long time.

The hotel is close to the venue, it takes 2 minutes to walk there, also for wheelchair users. The classification room, team captain's meeting room are in the same building which is very convenient for all the people.

The red building below is the stadium.

You have two options of the airport: Mudanjiang airport and Harbin airport.

Transportation from both airport to hotel is for free.

Waxing cabin is free of charge.
