NOTE: NEW FIS CROSS RACE FOR SBX AND PARA SBX ON NOV 30TH

WELCOME TO PYHÄ SKI RESORT

Pyhä Ski Resort in Finland has been hosting early season cross training camps for the past 6 years with great results and feedback from teams. Pyhä has also organized 2 Para Snowboard World Cups and last season ended with historical Para Snowboard World Championships.

With our experience from past camps and events, the 7th camp will offer even better facilities than before. New Settele World Cup Start gates, additional start section training area and bit later dates for the start of the camp will guarantee successful training facilities. Pyhä Cross Camp is mainly targeted for international level SBX, SX and Para-SBX athletes.

WHERE

Pyhä is located in Finnish Lapland close to the Arctic circle only 130 kilometres from Rovaniemi airport which has several daily connections from Helsinki.

TRANSPORTATION

The airport bus service is available from the airport to Pyhä. Private transport with minibus starting from 370 € one-way, max. capacity 16 people. Several car rental companies operate in Rovaniemi airport. More information [here](#).

The opening goal for the course is November 21st 2019 and it will stay open for training until December 15th. The team officials are

welcome and even expected to join in at the building phase.
