<p>Radio Frequencies (Spectrum office)</p>	<p>All wireless equipment to be used during the Test Event by foreign teams and officials must be registered. Frequency applications must be submitted to POCOG at least one month prior to the competition in order to acquire approval from the relevant government agency.</p> <p>Therefore, all wireless equipment must acquire approval before use.</p> <p>The frequency application procedures and forms can be found at "RF Spectrum Application for the Test Events" under the "News" section of the Test Event website at http://www.hellopyeongchang.com/en.</p> <p>Please apply each spectrum through the Spectrum Order Portal website (https://spectrumorder.pyeongchang2018.com).</p> <p>The spectrum application method is as follows: - Application Deadline : 15 days before the start of each Test Event . Late or on-site applications have a lower chance of getting requested frequencies. . Private Wi-Fi Routers(APs, Mi-Fis, etc.) also require spectrum application - The frequency application fee : Free . POCOG plans on providing frequency allocation services free of charge for devices brought from abroad.</p> <p>POCOG will notify you via email whether or not your application has been approved after reviewing your application with the relevant government agency.</p> <p>Upon arrival, all equipment must be tested and tagged at the SMR(Spectrum Management Room) by the relevant government agency before use.</p> <p>Note: According to the applicable Korean law, you may be fined up to 30 million KRW(30,000 USD) or sentenced to up to three years in jail for the use of an unapproved frequency. Therefore, all wireless equipment must acquire approval before use.</p>
