SPEED NATION NATIONALS - TREMBLANT

[Canada Snowboard](#), in partnership with [Association Quebec Snowboard](#) & Mont Tremblant, is proud to host the **2017 SPORTS EXPERTS SPEED NATION NATIONALS** presented by **MAZDA CANADA** and **FA DESIGN** from **April 4-9**. Canada and the rest of the north American's top riders will grace the slopes of Mont Tremblant to compete in Parallel Giant Slalom, Parallel Slalom, Snowboard cross, and Para-snowboard disciplines. With the Alpine snowboarding disciplines taking place on the south side of the mountain, and a custom Canadian built snowboardcross course on the north, everyone is in for a show!

“On behalf of Canada Snowboard and our provincial partners, it is my distinct pleasure to extend a warm welcome to all of our Canadian and international athletes participating in this event.

We know that the organizers have worked hard to prepare the course and ensure that all the details have been taking care of to allow you to enjoy and compete at your highest level. Hoping that this event will be a memorable part of your competitive career as you strive to realize your personal snowboarding aspirations.

From all of us involved with competitive snowboarding in Canada, we wish each and every one of you the very best.

Have fun, go well and good luck!”

THE RESORT

Mont Tremblant Ski Resort (known as Tremblant) is a year-round resort in the Laurentian Mountains of Quebec, Canada, about 130km (80mi) northwest of Montreal. It is best known as a ski destination, but also features Lake Tremblant suitable for swimming and two golf courses in the summer months. The name of the Mountain, Mont Tremblant, was derived from the local Algonquin natives, who called in the “trembling mountain”.

The summit is at an elevation of 875 metres (2,871 ft), which makes it one of the tallest peaks in the Laurentians.

The mountain and resort are part of the Mont Tremblant National Park and are both located near the village of Mont Tremblant.
