ATHLETE SAFETY REQUIREMENTS

All U.S. participants in this competition are subject to the requirements outlined in the USOPC Athlete Safety Policy available at: <http://teamusa.org/USOPCAthleteSafetyPolicy>. Adult Participants are also required to be familiar with, and comply with the USOPC Minor Athlete Abuse Prevention Policies (MAAPP) available at: <http://teamusa.org/maapp>. Participating in our events also comes with certain responsibilities, such as requirements to report Prohibited Conduct, to include violations of the MAAPP, as outlined in Section 6 of the USOPC Athlete Safety Policy, as well as completing training as outlined below.

U.S. Center for SafeSport Training

All U.S. athletes (18 years and older), coaches, officials, and support staff requesting accreditation must complete, or have completed within the last calendar year, the U.S. Center for SafeSport's SafeSport™ Trained Core training, or applicable Refresher training course if they have previously taken the SafeSport™ Trained Core training. The training must be completed prior to arrival at the event and must be valid through the conclusion of the event. Please note, WPSB / U.S. Para Snowboard membership with SafeSport training that is valid through the conclusion of the event will be accepted.

If you are not in compliance with training, depending on the required course, it will take between 30 to 90 minutes to complete the training. Taking the SafeSport™ Trained Core or Refresher training is free for registered event participants. Please email Reagan Folaron if you need help accessing the training. You must submit proof of completion and expiration date of your most recent SafeSport training to Reagan Folaron at Reagan.Folaron@usopc.org by April 5, 2022.

If you are a minor athlete, completing SafeSport training is not required, however, we recommend you work with your parent/guardian to take the free youth training course offered by the U.S. Center for SafeSport. The U.S. Center for SafeSport also has resources available to parents/guardians regarding abuse prevention in sport, to include the Parent Toolkit, and free online training. These resources, and information regarding the training for both minor athletes and parents/guardians is available at: <https://uscenterforsafesport.org/training-and-education/safesport-courses-for-all/>.

The background check must be completed prior to the start of competition. Any individual receiving a "Red Light" may be precluded by the USOPC from participating in the competition. Please note, WPSB / U.S. Para Snowboard membership with a background check that is valid through the conclusion of the event will be accepted. Please submit proof of completion and expiration date of your most recent background check to Reagan Folaron at Reagan.Folaron@usopc.org.
