Competition Format and Rules

Formato e regras da competição

Paralympic competition format

Events

There are seven events in the Rio 2016 Paralympic Games boccia competition. All are mixed gender:

- ... Individual μ BC1
- ... Individual μ BC2
- ... Individual μ BC3
- ... Individual μ BC4
- ... Team μ BC1/BC2
- ... Pairs μ BC3
- ... Pairs μ BC4

Scoring

Scoring will be overseen by the referee after all balls have been thrown by both sides, including penalty balls where appropriate. The side with the ball closest to the jack will score one point for each ball they have closer than the best of their opponents.

If two or more balls of different colours are equidistant and are closest to the jack, then each side will receive one point per ball.

Individual events

The individual events will begin with a round robin stage, after which they follow a single elimination format. A seeding position will be allocated to all players according to their position in the world rankings. All athletes must be on the Boccia International Sports Federation (BISFed) individual world ranking list.

The BC1 and BC4 events will begin with four pools of four athletes, placed according to their world ranking. Each athlete will play against every other athlete in their pool. The top two athletes from each pool will progress to the quarterfinals.

The BC2 and BC3 events will begin with eight pools of three athletes, who are placed in pools according to their world ranking. Each athlete will play against every other athlete in its pool. The top athlete from each pool will progress to the quarterfinals.

The winners of the quarterfinals progress to the semifinals, while the losers will be ranked according to their point differential during the quarterfinals. The winners of the semifinals advance to the gold medal match, while the losers contest the bronze medal match.

BC1/BC2 team event

The BC1/BC2 team event will begin with a round robin stage, after which there will be a single elimination format. The event will begin with four pools of three teams, with teams placed according to their world ranking:

POOL A	POOL B	POOL C	POOL D
Team 1	Team 2	Team 3	Team 4
Team 8	Team 7	Team 6	Team 5
Team 9	Team 10	Team 11	Team 12

Each team will play against every other team in its pool. The top two teams from each pool progress to the quarterfinals. The pool winner will be the team with the most victories. In the event of a draw, the team with the highest point difference will be placed higher.

In the event of a draw, the team with the highest point difference will be placed higher. If a tie remains, the team with the most victories will be placed higher. In the event of a draw, the team with the highest point difference will be placed higher.

The winners of the quarterfinals advance to the semifinals, while the losers will be ranked according to their point differential during the quarterfinals. The semifinal winners will progress to the gold medal match, while the losers will play in the bronze medal match.

Pairs events

The pairs events will begin with a round robin stage, after which the event will follow a single elimination format. The event will begin with two pools of four pairs, with teams placed in pools according to their world ranking:

POOL A	POOL B
Pair 1	Pair 2
Pair 4	Pair 3
Pair 5	Pair 6
Pair 8	Pair 7

Each pair will play against every other pair in its pool. The top two pairs in each pool will progress to the semifinals. The pool winner will be the pair with the most wins.

In the event of a draw, the pair with the highest point difference will be placed higher. If a tie remains, the pair with the most victories will be placed higher. In the event of a draw, the pair with the highest point difference will be placed higher.

The winners of the semifinals will progress to the gold medal match, while the losers will play in the bronze medal match.

Sport rules and procedures

The boccia competition will be held in accordance with the editions of the following documents that are in force at the time of the Rio 2016 Paralympic Games:

- ... *BISFed Boccia rules 2014* (available at bisfed.com/about-boccia/rules)
- ... *The IPC handbook* (available at paralympic.org/the-ipc/handbook)

BISFed, working with Rio 2016 competition management, will be responsible for the technical control and direction of the boccia competition at the Rio 2016 Paralympic Games.

Scoring

In the boccia competition, each division plays a number of ends. The number of throws each player receives varies accordingly:

- ... **Individual:** An athlete competes against an opponent of the same classification over four ends. Each player throws six balls each.
- ... **Pairs:** Two athletes are paired together. In the BC3 class, each pairing must always include one athlete with cerebral palsy. The pairs play against their opponents over four ends, with each player throwing three balls each end.
- ... **Teams:** Three athletes form a team. At least one team member must have a BC1 classification. Competition lasts for six ends, and each player throws two balls each end.

When all ends are over, the points scored during each end are added together and the side with the highest total score wins. If the scores are equal, a tiebreak is played, which constitutes one extra end.

Game description

Each end begins when a player throws the jack and then throws the first coloured ball onto the court. After both sides have thrown, the side whose ball is furthest from the jack continues to throw until it lands a ball closest to it or until it run out of balls.

Once all the balls have been thrown, the side with the ball closest to the jack will score one point and receive one additional point from the other side. A ball is considered to be a dead ball if any of the following occurs:

- ... It is thrown after the time limit.
- ... It is thrown out of the competition court.
- ... A rule violation occurs when the ball is being thrown.

Changes from the London 2012 Paralympic Games

- ... Individual event competition format has changed from a direct elimination tournament to a pool phase followed by direct elimination.
- ... Classification matches have been removed for individual event.
- ... Ranking criteria has been clarified.
