up to 60kg	up to 48kg
up to 66kg	up to 52kg
up to 73kg	up to 57kg
up to 81kg	up to 63kg

The best four athletes will be seeded in each weight category from the present athletes.

For all medal events, the judo competition will be run in an elimination format with double repechage. Each medal event will be completed in a single day.

At the initial competition draw, athletes will be divided into two tables (A and B), then further subdivided into groups (A1, A2, B1 and B2). An elimination system will determine the winners of tables A and B, who will then compete in the gold medal contest.

Athletes who are defeated by one of the four eventual group winners (A1, A2, B1 and B2) during the initial stages of the competition will enter the repechage of their respective groups. The repechage winner of group A1 will fight the repechage winner of group A2 in the repechage final of table A, and the repechage winner of group B1 will fight the repechage winner of group B2 in the repechage final of table B.

The winners of the repechage table finals will fight the losers of the semifinals from the opposite tables for the two bronze medals. The losers of the bronze medal contests will be awarded fifth place in the competition, and the losers of the repechage finals in tables A and B will be awarded seventh place.

Sport rules and procedures

The judo competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The International Blind Sports Federation (IBSA) judo rulebook 2014–2016 (available at www.ibsasport.org/sports/judo)
- The International Judo Federation (IJF) sports and organisation rules (SOR) (available at www.ijf.org)
- The IJF refereeing rules (available at www.ijf.org)
- The International Paralympic Committee (IPC) handbook (available at www.paralympic.org/the-ipc/handbook)

IBSA Judo, working with Rio 2016 judo competition management, will be responsible for the technical control and direction of the judo competition at the Rio 2016 Paralympic Games.

Duration and scoring

In accordance with the IJF sports and organisation rules and the IJF refereeing rules, judo contests at the Rio 2016 Paralympic Games will be four minutes for women and five minutes for men.

If an athlete scores ippon, he or she immediately wins the contest. The other scoring grades are waza-ari and yuko.

If a contest is tied after five minutes for men or four minutes for women, it will be extended by a golden score period with no time limit. The first athlete to achieve any kind of score during this period wins the contest.

Changes since the London 2012 Paralympic Games

None.

Differences from the Olympic Games

- Paralympic judo has an additional competition phase in the final block called repechage finals.
- The IJF rules will be used with a few modifications found in the IBSA judo rule book 2014-2017.

Disqualification of Argentinian judoka Jorge Lencina from Men -90 kg event

Summary:

Disqualification of Argentinian judoka Jorge Lencina from Men -90 kg event

Details:

The International Paralympic Committee (IPC) has announced that Argentinian judoka Jorge Lencina has been disqualified from Men -90 kg event and provisionally suspended for an Anti-Doping Rule Violation committed at the Rio 2016 Paralympic Games.

Lencina returned an adverse analytical finding for clomiphene in a urine sample provided on 8 September in an out-of-competition test.

This substance is included on the World Anti-Doping Agency (WADA) 2016 Prohibited List under the category S4.3 Hormone and metabolic modulators and is prohibited at all times, both in and out of competition.

As a result of his violation, Lencina has had his seventh place finish in the Men -90 kg event from last Saturday (10 September) disqualified. His Rio 2016 accreditation has also been withdrawn and he has left the Paralympic Village.

He has been provisionally suspended and the case transferred to the International Blind Sports Association (IBSA), the international federation for Para judo, to judge on the possible consequences after the Rio 2016 Paralympic Games.
