The para badminton tournament consists of 14 medal events, summarised below:

MEN (7)	WOMEN (6)	MIXED (1)
Men's singles WH1	Women's singles WH1	
Men's singles WH2	Women's singles WH2

Men's singles SH6		
Men's doubles WH1-WH2	Women's doubles WH1-WH2

A total of 90 athletes may take part in the Paralympic badminton competition. This figure, which comprises 46 players in the men's and 44 in the women's events, includes 20 bipartite and host nation slots (13 men and seven women).

SPORT RULES AND PROCEDURES

All 14 medal events will be played in two stages: a group stage followed by a knockout stage.

Events

Singles

In singles events, players will be divided into groups of three or four players. The number of groups will vary according to the final number of entries. All players in the same group will play each other, with the top finisher of each group qualifying for the knockout stage. If there are less than four groups, runners-up will also proceed to the knockout stage.

The group winners (and some runners-up in the case of less than four groups) will progress to the knockout stage, which will be run in a single-elimination format. The winners from the semifinals will compete for the gold medal, while the semifinal losers will play for the bronze medal.

Doubles

In doubles events, pairs are divided into two groups of three pairs each. In mixed doubles, a group may consist of three or four pairs. All pairs in a group will play each other, and the top two pairs in each group qualify for the semifinals, which will be run in a single elimination format. The winning pairs in the semifinals will compete for the gold medal, while the losing pairs will play for the bronze medal.

Tiebreak rules

When two players/pairs are tied in the same group, the winner of the match between them will be ranked higher. If three players/pairs are tied within a group, their positions will be determined by the difference between games won and games lost. If three players/pairs are still tied, their positions will be determined by the difference between total points won and total points lost.

If after one or more of these tiebreakers, only two players/pairs are tied, the winner of the match between them will be ranked higher. If, after all tiebreakers, all three players are still tied, their positions will be then determined by drawing lots.

Draws

Group stage

Draws for group stages in singles and doubles events will be conducted by Badminton World Federation (BWF) officials, and the placements of seeded players in groups are based on the BWF's Paralympic Games Regulations for Badminton Competition document. In each singles event, the number of seeded players will be determined by the number of groups. Each group will have one seeded player. Groups are labelled as A, B, C and so forth. Group winners and runners-up are identified as A1, A2, B1, B2 and so forth.

In the doubles events, a total of two pairs will be seeded. Each group will have one seeded pair. Groups are labelled as A and B. Group winners and runners-up are identified as A1, A2, B1 and B2.

Knockout stage

The position of players/pairs in the knockout stage draw will be based on the BWF's Paralympic Games Regulations for Badminton Competition document. The draw of each event will depend on the number of player/pair entries as follows:

- Events with six to eight entries – group winners and runners-up advance to the semifinals. Group winners will be placed in a pre-designated position while places for others will be drawn randomly.
- Events with nine to 11 entries – group winners and runners-up advance to the quarterfinals. Group winners A1 and C1 have a pre-designated position on the knockout draw. Position of B1 will be drawn between two positions. The remaining players' positions will be drawn randomly.
- Events with 12 – 16 entries – only group winners will advance to the semifinals. Positions on the knockout draw are pre-designated.
- Events with 17 entries – only group winners will advance to the quarterfinals. Positions on the knockout draw are pre-designated.
- Events with 18-20 entries – only group winners will advance to the quarterfinals. Positions on the knockout draw are pre-designated.

Scoring

Each match is played to the best of three 21-point games. Games will be won by the first player/pair to score 21 points. If the score reaches 20-20, the winner will be the one to subsequently gain a lead of two points. If the score reaches 29-29, the player/pair to score the next point wins the game.

Competition rules

The para badminton competition at the Tokyo 2020 Paralympic Games will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The BWF Laws of Badminton and Competition Regulations (available at <https://corporate.bwfbadminton.com/para-badminton/regulations/>)
- The IPC Handbook (available at www.paralympic.org/the-ipc/handbook)

The BWF, working with the Tokyo 2020 competition management, will be responsible for the technical control and direction of the badminton competition at the Tokyo 2020 Paralympic Games.

CHANGES SINCE THE RIO 2016 PARALYMPIC GAMES

This is the first appearance for badminton at the Paralympic Games.

DIFFERENCES FROM THE OLYMPIC GAMES

- In all para badminton competition at the Paralympic Games, the winners and runners-up of the groups in the group stages advance to knockout stages, except in entries of 12-16 players or more, in which only the winner of each group advances. In the Olympic Games only the winners in singles advance to the knockout stages (and winners and runners-up in doubles).
- In wheelchair matches there may be an extra break claimed by the player for medical reasons.
- In SL 3 men's singles and wheelchair 1 and wheelchair 2 men's and women's singles, matches are played on half court.
