PARALYMPIC COMPETITION FORMAT

The Tokyo 2020 Paralympic Games football 5-a-side tournament is a men's event that will be contested by eight teams.

The competition starts with a group phase, for which the teams will be divided into two groups of four teams each. Each team plays against every other team in their group, with three points awarded for a win, one point for a draw and none for a loss.

Teams' group phase rankings will be determined by the following criteria, in order:

1. Highest number of points won in all games played of the current series.
2. Goal difference for all games played of the current series.
3. Highest number of goals scored in all games played of the current series.
4. Highest number of points obtained in the matches among the teams in question.
5. Superior goal difference in the matches among the teams in question (if more than two teams finish equal on points).
6. Penalties among the two teams in question, or a draw to be made by the organising committee if both two teams agree.
7. A draw to be made by the organising committee if there are more than two teams in question and they have all the same previous criteria.

The top two teams in each group qualify for the semifinals, with the bottom two teams playing classification matches to determine the rankings from fifth to eighth. The winners of the semifinals will contest the gold medal match, while the losing teams from the semifinals will play in the bronze medal match.

If a match in the elimination stage is a draw after 40 minutes of play, penalty kicks shall be taken to determine the winner.

Competition rules

The football 5-a-side competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The IBSA Blind Football Rulebook 2017-2021 (available at <https://www.ibsasport.org/sports/football/rules/>)
- The IPC Handbook (available at www.paralympic.org/the-ipc/handbook)

The International Blind Sports Federation (IBSA), working with the Tokyo 2020 competition management, will be responsible for the technical control and direction of the football 5-a-side competition at the Tokyo 2020 Paralympic Games.

CHANGES SINCE THE RIO 2016 PARALYMPIC GAMES

- Twenty-minute halves at Tokyo 2020 instead of 25.
- Clock will stop every time the ball is out of play and there is no added time at the end of regulation time.
- Clock will count down from 20:00 to 0:00 rather than counting up.
- Number of fouls has changed from three to five before double penalties come into play.

DIFFERENCES FROM THE OLYMPIC GAMES

The followings are the rules of the Paralympic Games football 5-a-side tournament in comparison with those of the Olympic Games:

- Team sizes are smaller — five players rather than 11 on the pitch. The four outfield players are totally blind while the goalkeeper may be fully sighted or partially sighted. There is also a guide on a team.
- Totally blind players must wear eyeshades covering both eyes and eye patches.

- Field of play is smaller (40m x 20m).
- Game time is less — two 20-minute halves rather than two 45-minute halves.
- Teams can request a one-minute time-out during each half.
- Maximum of six substitutions per half.
- Red carded players can be substituted after two minutes or when a goal is scored before the two minutes have elapsed under certain conditions.
- There is no offside rule.
- The IBSA Blind Football Rulebook 2017-2021 shall be used for this competition while the Olympic football competition uses FIFA rules.
