## Competition Format and Rules

競技形式および規則

As of THU 19 AUG 2021

### PARALYMPIC COMPETITION FORMAT

The wheelchair tennis competition at the Tokyo 2020 Paralympic Games is made up of six events: men's and women's singles and doubles, as well as quad singles and doubles.

All medal events in the wheelchair tennis competition will be conducted in a single-elimination format. The winners of the semifinals in each event will play for the gold and silver medals, with the semifinal losers playing for the bronze medal.

There will be 56 players including 16 seeds in the men's singles, 32 players including eight seeds in the women's singles, and 16 players including four seeds in the quad singles. There are a maximum of 28 teams including eight seeded teams in the men's doubles, a maximum of 16 teams including four seeded teams in the women's doubles and a maximum of eight teams including two seeded teams in the quad doubles.

The seedings will be determined by the International Tennis Federation (ITF) world ranking on 23 Aug 2021.

#### Competition draw

The draw will be conducted in public by officials from the ITF. If there are two athletes from the same country, they will be drawn in opposite halves of the draw. If there are three or four athletes from the same country, they will be drawn in different quarters of the draw.

### SPORT RULES AND PROCEDURES

#### Scoring

All matches will be the best of three tiebreak sets.

#### Competition rules

The wheelchair tennis competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The latest ITF Wheelchair Tennis Rules (available at [www.itftennis.com/en/about-us/governance/rules-and-regulations/?type=tour-regulations](http://www.itftennis.com/en/about-us/governance/rules-and-regulations/?type=tour-regulations))
- The Paralympic Wheelchair Tennis Event Regulations (available at [www.itftennis.com/wheelchair](http://www.itftennis.com/wheelchair))
- The Paralympic Games Classification Guide (available at [www.paralympic.org/wheelchair-tennis/classification](http://www.paralympic.org/wheelchair-tennis/classification))
- The IPC Handbook (available at [www.paralympic.org/the-ipc/handbook](http://www.paralympic.org/the-ipc/handbook))

The ITF, working with the Tokyo 2020 competition management, will be responsible for the technical control and direction of the wheelchair tennis competition at the Tokyo 2020 Paralympic Games.

### CHANGES SINCE THE RIO 2016 PARALYMPIC GAMES

There is a fixed number of male players for Tokyo 2020.

### DIFFERENCES FROM THE OLYMPIC GAMES

- All matches at the Paralympic Games are the best of three tiebreak sets. At the Olympic Games, the doubles events include a match tiebreak as a third set.
- Mixed doubles is not played at the Paralympic Games.
- The quad class is for athletes with a loss of function in one or both arms.
- There are some rule differences between wheelchair tennis and tennis, specifically:

1. The two-bounce rule - a wheelchair tennis player is allowed two bounces of the ball. The second bounce can be either in or out of the court boundaries.
2. The wheelchair is considered a part of the body and all applicable rules which apply to a player's body shall apply to the wheelchair.
3. There are specific rules for service which are contained in the Wheelchair Tennis Regulations.
4. Player loses point - specific scenarios are contained in the Wheelchair Tennis Regulations describing how a player can lose a point.
5. Players are allowed an equipment time-out if they have issues with their wheelchairs.

## Medal Standings
