Competition Format and Rules

竞赛形式与规则

As of SAT 26 FEB 2022

PARALYMPIC COMPETITION FORMAT

Para snowboard is practised worldwide and features three disciplines: snowboard cross, banked slalom and giant slalom. Athletes will compete in two snowboard disciplines at the Beijing 2022 Paralympic Winter Games – snowboard cross and banked slalom (four events in each). There is no giant slalom at Beijing 2022.

Athletes compete in three categories based on their functional ability: SB-LL1 and SB-LL2 for lower-limb impaired riders, and SB-UL for those with upper-limb impairments. Para snowboarders use equipment adapted to their needs including snowboard and orthopaedic aids.

Snowboard cross

Events

- Men's snowboard cross SB-UL
- Men's snowboard cross SB-LL1
- Men's snowboard cross SB-LL2
- Women's snowboard cross SB-LL2

Overview

Snowboard cross can be held as a time trial event, a head-to-head race, or a combination of both. At the Beijing 2022 Paralympic Winter Games, qualification is based on time trials: one athlete on the course at a time completing a run to record a time. During qualification, each athlete completes three runs down the course with their best run determining the final order based on ascending time.

The elimination rounds are head-to-head races, and will feature the top 16 ranked men, and the fastest eight women.

Four competitors per heat will race, or such other numbers as determined by the jury. The first two athletes per heat advance from round to round as determined by their place of finish in each heat. The remaining four athletes will race in the big final for gold, silver and bronze. The losers of the semifinals will race in the small final from fifth to eight place.

The ideal snowboard cross course may allow the construction of any features excluding gap jumps, corner jumps, spines and double spines, cutting banks, giant slalom turns and negative banks.

For more information, please refer to World Para Snowboard Rules and Regulations sections 1408 to 1411 [here](#).

Banked slalom

Events

- Men's banked slalom SB-UL
- Men's banked slalom SB-LL1
- Men's banked slalom SB-LL2
- Women's banked slalom SB-LL2

Overview

Each athlete completes three runs down the course with their best run determining the final order based on ascending time. Under special circumstances, the jury may allow a format with one timed run to determine the final results. This jury decision should be announced in the team captains' meeting before the start of competition. There is only one rider on the course at a time. The course may be a medium pitched slope, a naturally varying terrain with plenty of bumps and dips, and preferably a U-shaped natural valley.

Participation references

Athlete quota: 102

National Paralympic Committee (NPC) quota: an NPC can enter a maximum of three eligible athletes per medal event (Bipartite exceptions apply).

Men – maximum of 10 athletes per NPC

Women – maximum of 6 athletes per NPC

Expected number of athletes: 32 female/70 male

DIFFERENCES FROM PYEONGCHANG 2018 PARALYMPIC GAMES

The number of events has decreased by two. Women's snowboard cross SB-LL1 and women's banked slalom SB-LL1 no longer feature.

DIFFERENCES FROM OLYMPIC GAMES

Paralympic Games do not include parallel giant slalom, halfpipe, slopestyle or big air events, but do feature banked slalom. The snowboard cross event in the Paralympics has a different format.

Team captains' meetings and draws

The first team captains' meeting will take place on the day before the first official training day at the Zhangjiakou Genting Snow Park.

All para snowboard team captains' meetings will be held as per World Para Snowboard Rules and Regulations. The date, time and location of the meetings will be approved by the World Para Snowboard Technical Delegate.

Protests

Protests must be submitted in writing within 15 minutes of the posting of the unofficial results. The protest must be submitted in English, accompanied by 100 euros or the amount of RMB equivalent, in accordance with World Para Snowboard rules. The competition jury handles protests in accordance with World Para Snowboard Rules and Regulations.

Competition equipment

All equipment and accessories must conform to World Para Snowboard rules and the IPC Manufacturers Identification Guidelines. Equipment inspection is carried out according to World Para Snowboard rules.

Timing and scoring

Timing and scoring are provided by OMEGA in accordance with World Para Snowboard rules and Paralympic Results and Information Services (PRIS).

Awards

An in-venue medallist recognition announcement will take place following the completion of each medal event. Immediately after finishing a medal event, the winners of the gold, silver and bronze medals will gather in a designated area on or near the field of play.

Their names and rankings will be announced to the spectators. There will be no raising of their national flags or playing of the gold medallist's national anthem. The announcement is an opportunity for photographers and broadcasters to capture post-race images of the winners.

Athletes may carry with them their sport equipment as long as it complies with the IPC Manufacturer Identification Guidelines.

Victory ceremonies

Victory Ceremonies, including the presentation of medals, the raising of national flags and playing of the gold medallist's national anthem, will take place on the evening of the following day at the Zhangjiakou Paralympic Medals Plaza.

Snowboard Cross Finals – Schedule Change

Summary:

Snowboard Cross Finals – Removal of the Men's LL2 1/8 Finals

Details:

Due to the decision of not allowing athlete entries from the RPC and NPC Belarus which lowered the number of athletes in certain categories, the Snowboard Cross Finals will not incorporate Men's LL2 1/8 Finals which consequently influences the estimated competition schedule. Therefore, the Finals will start with the Women's LL2 1/4 Finals. Further sequence of the competition schedule of the Snowboard Cross Finals remains the same. Overall, the number of athletes has dropped from 75 to 69 which also influences the estimated competition schedule of Snowboard Cross Qualification.

Original start time of the finals remains unchanged.
