Competition Format and Rules

Format et règlement des compétitions

As of FRI 23 AUG 2024

Paralympic Competition Format

The Paris 2024 Paralympic Games blind football tournament is a men's event that will be contested by eight teams.

The competition starts with a group phase, for which the teams will be divided into two groups of four teams each. Each team plays against every other team in their group, with three points awarded for a win, one point for a draw and none for a loss.

Teams' group phase rankings will be determined by the following criteria, in order:

1. Highest number of points won in all games played of the current series.
2. Goal difference for all games played of the current series.
3. Highest number of goals scored in all games played of the current series.
4. Highest number of points obtained in the matches among the teams in question.
5. Superior goal difference in the matches among the teams in question (if more than two teams finish equal on points).
6. Penalties among the two teams in question, or a draw to be made by the organising committee if both two teams agree.
7. A draw to be made by the organising committee if there are more than two teams in question and they have all the same previous criteria.

The top two teams in each group qualify for the semifinals, with the bottom two teams playing classification matches to determine the rankings from fifth to eighth. The winners of the semifinals will contest the gold medal match, while the losing teams from the semifinals will play in the bronze medal match.

If a match in the elimination stage ends in a draw after two 15-minute halves, separated by a 10-minute half-time break, penalty kicks shall be taken to determine the winner.

Competition Rules

The blind football competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The IBSA Futsal Rulebook 2022-2025 (available at <https://blindfootball.sport/about-football/rules-and-downloads/>)
- The IPC Handbook (available at www.paralympic.org/the-ipc/handbook)

The International Blind Sports Federation (IBSA), working with Paris 2024 competition management, will be responsible for the technical control and direction of the blind football competition at the Paris 2024 Paralympic Games.

Changes since the Paralympic Games Tokyo 2020

- Sport name has changed from football 5-a-side to blind football.
- Two 15-minute halves separated by a 10-minute halftime break at instead of 20-minute halves at previous Games.

Differences from the Olympic Games

The following are the rules of the Paralympic Games blind football tournament in comparison with football at the Olympic Games:

- Team sizes are smaller; five players rather than 11 on the pitch. The four outfield players are totally blind while the goalkeeper may be fully sighted or partially sighted. There is also a guide on a team.
- Totally blind players must wear eyeshades covering both eyes and eye patches.

Competition Format and Rules

Format et règlement des compétitions

As of FRI 23 AUG 2024

- Field of play is smaller (40m by 20m) and equipped with side boards.
- The ball is equipped with a bell that makes a noise when it moves.
- Game time is less; two 15-minute halves rather than two 45-minute halves.
- Teams can request a one-minute time-out during each half.
- Maximum of six substitutions per half.
- Red carded players can be substituted after two minutes or when a goal is scored before the two minutes have elapsed under certain conditions.
- There is no offside rule.
- The IBSA Futsal Rulebook 2022-2025 shall be used for this competition while the Olympic football competition uses FIFA rules.

Sport Terminology

Terminologie du sport

As of FRI 23 AUG 2024

| Term | Definition |
|--------------------|---|
| Accumulated foul | Any foul that awards the opposing team with a direct free kick. The first four accumulated fouls committed by each team during each half are recorded in the match report. Beginning with the fifth accumulated foul recorded for either team in each half, and for any subsequent accumulated foul per period, the double penalty procedure shall be applied. |
| Ball out of play | The ball is out of play when: <ul style="list-style-type: none"> • it has wholly crossed one of the goal lines, whether on the ground or in the air, or one of the kickboards in the air; • play has been stopped by the referees. |
| Corner kick | A method of restarting play. A goal may be scored directly from a corner kick, but only against the opposing team. |
| Direct free kick | A kick awarded to the opposing team when a player commits an offence in a manner in which, in the view of the referee, is careless, reckless or involves the use of excessive force. A direct free kick shall also be awarded to the opposing team if a player commits an offence that is deemed unsportsmanlike. The ball can be kicked directly into a goal. |
| Dropped ball | A way of restarting the match after a temporary stoppage that becomes necessary while the ball is in play and provided that immediately preceding the stoppage, it has not passed over the kickboards or goal line, for any reason not mentioned elsewhere in the laws of the game. |
| Goal clearance | A method of restarting play. It must always be performed by the goalkeeper inside his goalkeeper's area. A goal may not be scored directly from a goal clearance. |
| Goalkeeper's area | A distance of 1m shall be measured from the outside part of each goalpost and in the direction of the corresponding kickboard. A line 2m in length shall be marked perpendicular to the goal line and towards the half-way line, starting at each one of the distances previously marked. These two lines shall be joined by a 5.82m long line running parallel to the goal line. This area shall be called the goalkeeper's area. |
| Goals | White frames with netting that are placed on either end of the pitch. Goals must be placed at the centre of each goal line. They consist of two upright posts equidistant from each corner and joined at the top by a horizontal crossbar. The distance (inside measurement) between the posts is 3.66m, and the distance from the lower edge of the crossbar to the ground is 2.14m. |
| Guides' areas | The guides' areas (thirds) shall be marked in the following way: At a distance of 12m from the goal lines, a dotted line shall be marked parallel to the goal lines from one side of the pitch to the other. The pitch shall therefore be divided in three thirds which shall be known as: Defensive third Midfield third Attacking third |
| Indirect free kick | A kick awarded to the opposing team when a goalkeeper commits an offence in his own penalty area. An indirect free kick is also awarded to the opposing team if, in the opinion of the referee, a player plays in a dangerous, unsportsmanlike manner, etc. that does not result in a direct free kick. Unlike a direct free kick, a goal from an indirect free kick may be scored only if the ball touches another player before it enters the goal. |

| Third referee | A referee whose main responsibility is to officiate substitutions during a match. This includes ensuring that the athletes' equipment complies with the sport's rules and regulations and informing the other referees of any improper conduct on the substitutes' benches. If they wish to receive instructions from a team official, this may only be done at the kickboards at the level of the substitutes bench. The official issuing the instructions may not enter the pitch (with the exception of the guide, who is allowed to go inside the pitch during a time-out);</p> <p>A team that does not request a time-out in the first half of the match is still entitled to only one time-out during the second half.</p> |
