## Competition Format and Rules

Format et règlement des compétitions

As of THU 25 AUG 2024

### Paralympic Competition Format

The wheelchair tennis competition at the Paris 2024 Paralympic Games is made up of six events: men's and women's singles and doubles, as well as quad singles and doubles.

All medal events in the wheelchair tennis competition will be conducted in a single-elimination format. The winners of the semifinals in each event will play for the gold and silver medals, with the semifinal losers playing for the bronze medal.

There will be 48 players including 16 seeds in the men's singles, 32 players including eight seeds in the women's singles, and 16 players including four seeds in the quad singles.

There are a maximum of 24 teams including eight seeded teams in the men's doubles, a maximum of 16 teams including four seeded teams in the women's doubles and a maximum of eight teams including two seeded teams in the quad doubles.

### Competition draw

The draw will be conducted in public by officials from the ITF. If there are two athletes from the same country, they will be drawn in opposite halves of the draw. If there are three or four athletes from the same country, they will be drawn in different quarters of the draw.

### Sport Rules and Procedures

#### Scoring

In the singles events, matches will be the best of three tiebreak sets.

In the doubles events, matches will be the best of three tiebreak sets. The first two sets are subject to a seven-point tiebreak. The last set is subject to a 10-point tiebreak.

#### Competition rules

The wheelchair tennis competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The latest ITF Wheelchair Tennis Rules (available at [www.itftennis.com/en/about-us/governance/rules-and-regulations/?type=tour-regulations](http://www.itftennis.com/en/about-us/governance/rules-and-regulations/?type=tour-regulations))
- The Paralympic Wheelchair Tennis Event Regulations (available at [www.itftennis.com/wheelchair](http://www.itftennis.com/wheelchair))
- The Paralympic Games Classification Guide (available at [www.paralympic.org/wheelchair-tennis/classification](http://www.paralympic.org/wheelchair-tennis/classification))
- The IPC Handbook (available at [www.paralympic.org/the-ipc/handbook](http://www.paralympic.org/the-ipc/handbook))

The ITF, working with Paris 2024 competition management, will be responsible for the technical control and direction of the wheelchair tennis competition at the Paris 2024 Paralympic Games.

### Changes since the Tokyo 2020 Paralympic Games

- The European Championships have been included in the qualification pathway for Paris 2024.
- The men's quota has reduced from 56 at Tokyo 2020 to 48 at Paris 2024.
- All doubles events have changed to a 10-point tiebreak in the third and final set.

## Differences from the Olympic Games

- Mixed doubles is not played at the Paralympic Games.
- The quad class is for athletes with a loss of function in one or both arms.
- There are some rule differences between wheelchair tennis and tennis, specifically:
  1. The two-bounce rule: a wheelchair tennis player is allowed two bounces of the ball. The second bounce can be either in or out of the court boundaries.
  2. The wheelchair is considered a part of the body and all applicable rules which apply to a player's body shall apply to the wheelchair.
  3. There are specific rules for serving, which are contained in the Wheelchair Tennis Regulations.
  4. Player loses point: specific scenarios are contained in the Wheelchair Tennis Regulations describing how a player can lose a point.
  5. Players are allowed an equipment time-out if they have issues with their wheelchairs.

**Note:**

For further information please consult: [www.itftennis.com](http://www.itftennis.com)
