PEREZ (CUB) loses gold medal in -60kg category due to anti-doping rule violation

PEREZ (CUB) loses gold medal due to anti-doping rule violation

The International Paralympic Committee (IPC) today (24.9) announces an anti-doping rule violation, which occurred at the ATHENS 2004 Paralympic Games.

Cuban Judoka Sergio Arturo PEREZ HECHAVARRIA, gold medallist in the -60kg category- B3, returned an adverse analytical finding of a glucocorticosteroid agent, prednisolone, which is on the 2004 list of prohibited substances in-competition.

The urine sample was taken during the in-competition period, on 18 September 2004.

In accordance with the IPC Anti-Doping Code, and after a hearing of the IPC Anti-Doping Subcommittee, the IPC Management Committee ratified the decision not to impose any further sanction than loss of results and the gold medal of Mr. PEREZ HECHAVARRIA from the ATHENS 2004 Paralympic Games, as well as the imposition of a warning and a reprimand.

This ruling is in accordance with article 12.3 of the IPC Anti-Doping Code. As a signatory of the World Anti-Doping Code (WADC), the IPC remains committed to a doping free sporting environment at all levels. The IPC, together with the International Federations and the National Paralympic Committees, established the IPC Anti-Doping Code (January 2004) to prevent in the spirit of fair play, doping in sport for athletes with a disability and in conformity with the general principles of the World Anti-doping Code.

Issued by: International Paralympic Committee (IPC)

This decision affects:
