Competition Format and Rules

競技形式および規則

As of THU 19 AUG 2021

PARALYMPIC COMPETITION FORMAT

The taekwondo competition at the Tokyo 2020 Paralympic Games consists of three weight categories each for men and women in the K44 sport classes, as follows:

WEIGHT CATEGORIES

MEN	WOMEN
K44 -61kg	K44 -49kg
K44 -75kg	K44 -58kg
K44 +75kg	K44 +58kg

There are 12 athletes competing in each weight category. The athletes are seeded into the bracket during the draw based on August 2020 World Taekwondo (WT) world para taekwondo ranking (note: if an athlete from the host nation has not been seeded within the top four, based on their WT world para taekwondo ranking, they will be seeded fourth). Each weight category consists of a single elimination tournament, with full repechage for the bronze medal contests. The winner of the final contest will be awarded the gold medal and the loser will be awarded the silver medal.

The repechage shall be conducted among all contestants in the elimination phase of the tournament. In the repechage, the contestants eliminated in the semifinals during the elimination phase will be seeded directly to each repechage final (bronze medal contest), but on opposite sides of the bracket. The two winners of the repechage finals (bronze medal contests) will each receive a bronze medal.

Note: any contestants who have been disqualified from the tournament based on a disciplinary decision from the competition supervisory board cannot advance to the repechage.

SPORT RULES AND PROCEDURES

Competition method

Contests are conducted in a competition area surfaced with matting, which should be installed on a raised podium. The contestants, "chung" (blue) and "hong" (red) compete against each other using kicking techniques performed on permitted parts of the body. The techniques to the face and hits below the lower abdomen are forbidden. Permitted parts of the body are covered with protection.

Contest

Each contest consists of three rounds of two minutes for men and women, with one-minute intervals between rounds. In the case of a tied score after the completion of the third round, the fourth round of two minutes, known as the golden round, will be conducted after a one-minute rest period following the third round. The first contestant that scores two points in the golden round is the winner.

Scoring format

Points

Competition is managed by one referee, three judges, one review jury and one technical assistant. The trunk PSS registers the kicks automatically. The judges add the technical points (turning techniques). For an effective attack to the trunk a contestant is awarded two, three or four points. The referee cannot award points.

Penalties

There is one type of penalty called "Gam-jeom". If a contestant receives a "Gam-jeom", one point is awarded to the opponent. During a contest, if a contestant accumulates 10 "Gam-jeom" then the contest is stopped, and the

opponent is declared the winner by the referee.

Score

Contest scores are the sum of the points scored in three rounds. Points and penalties are displayed on electronic scoreboards positioned on the field of play.

Tiebreak rules

In the case of a tied score after the completion of the third round, the fourth round of two minutes, also known as the golden round, will be conducted after a one-minute rest following the third round.

The score will start from zero in the golden round. The winner will be the athlete who scores the first two points or whose opponent receives two "Gam-jeom". A single "Gam-jeom" will not be counted as a point for the opponent during the golden round. However, in the event of a tied score after the end of the golden round, the winner shall be decided by superiority based on the following criteria:

- The contestant who achieved a higher number of hits registered (but below the set hit level) by the PSS during the golden round.
- If the number of hits registered by the PSS is tied, the contestant who won more rounds in the first three rounds.
- If the number of won rounds are tied the athlete who has scored more three and four-point foot techniques in the first three rounds shall be declared the winner.
- If the number of three and four-point foot techniques are tied, the contestant who received less numbers of a Gam-jeom during all four rounds.
- If the four above criteria are the same the referee and judges shall determine superiority based on the content of the golden round. If the superiority decision is tied among the referee and judges, the referee shall decide the winner.

Decisions

- Possible decisions about the outcome of the contest are:
 1. Win by referee stops the contest (RSC)
 2. Win by final score (PTF)
 3. Win by golden round (GDR)
 4. Win by superiority (SUP)
 5. Win by withdrawal (WDR)
 6. Win by disqualification (DSQ)
 7. Win by change of sport class after first appearance (CSC)
 8. Win by referee's punitive declaration (PUN)
 9. Win by disqualification for unsportsmanlike behaviour (DQB)
 10. Invalid result mark (IRM)

Penalties/disqualification rules

When a contestant is declared non-eligible for the contest, or is disqualified at the weigh-in, a win by disqualification is declared. A contestant can also be disqualified for unsportsmanlike conduct.

Protests/appeals

Coaches on the field of play are allocated one appeal quota per contest to call for an instant video replay (IVR): if the video jury decides in favour of the coach making the request, the coach keeps their original quota for the rest of the contest, i.e., a successful appeal does not use up an appeal quota.

Competition rules

The para-taekwondo competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

The WT Para Taekwondo Competition Rules (available at <http://www.worldtaekwondo.org/rules-wt/rules.html>)

The WT Standing Procedures for Taekwondo Competition at Paralympic Games (available at <http://www.worldtaekwondo.org/rules-wt/rules.html>)

The IPC Handbook (available at www.paralympic.org/the-ipc/handbook)

The WT, working with Tokyo 2020 competition management, will be responsible for the technical control and direction of the taekwondo competition at the Tokyo 2020 Paralympic Games.

DIFFERENCES BETWEEN THE WT WORLD PARA TAEKWONDO CHAMPIONSHIPS AND THE PARALYMPIC GAMES

In WT world para taekwondo championships, the sport classes are as follows:

MEN'S SPORT CLASSES	WOMEN'S SPORT CLASSES
K41	K41
K42	K42
K43	K43
K44	K44

In the Paralympic Games, athletes classified in sport classes K43 and K44 will compete in K44 combined divisions. An athlete who classifies in K41 or K42 will not be able to qualify for or compete at Tokyo 2020.

In WT world para taekwondo championships, the decisions of Win by point gap (PTG) and Win by point sealing (PTS) might be implemented. In the event of a 20-point difference between competitors at the end of the second round or at any time during the third round, the referee shall stop the contest and declare the winner by point gap (PTG). The athlete who first reaches 40 points at any time during the match will be declared the winner by point sealing (PTS).

However, win by point gap (PTG) and win by point sealing (PTS) will not be implemented during any stage of competition of the Tokyo 2020 Paralympic Games.

DIFFERENCES FROM THE RIO 2016 PARALYMPIC GAMES

Taekwondo makes its Paralympic Games debut at Tokyo 2020.

DIFFERENCES FROM THE OLYMPIC GAMES

- There are less athletes and less weight categories in the Paralympic Games than at the Olympic Games.
- There are no head kicks allowed in the Paralympic Games.
- Athletes receive penalties for dangerous and unsafe plays at the Paralympic Games.
- There are some scoring differences between the Olympic Games and the Paralympic Games (e.g. back kick scores three points rather than four and a punch does not score any points in the Paralympic Games). Please refer to the WT Para Taekwondo Competition Rules.
- At the Olympic Games, only athletes eliminated by the finalists proceed to the repechage while at the Paralympic Games all eliminated athletes proceed to the repechage.
- At the Olympic Games, the decision of winner by point gap (PTG) is implemented while at the Paralympic Games the winner by point gap (PTG) is not implemented.
- The height of competition platform is different between the events (the height of competition platform is 60 cm in the Paralympic Games).
- In order to improve safety for para-taekwondo athletes, head protectors with face shields will be used at the Paralympic Games.
