PARALYMPIC COMPETITION FORMAT

The sitting volleyball competition at the Tokyo 2020 Paralympic Games consists of two medal events, one each for men and women.

The eight teams in each of the men's and women's competitions will be divided into two pools of four each. The group phase is played in a round robin format, where all teams will play every other team in the pool once.

The top two teams in each pool will qualify for the semifinals, with the bottom two teams from each pool playing classification matches to determine the rankings from fifth to eighth.

The winners of the semifinals will then play in the gold medal match, while the losing teams contest the bronze medal match.

The ranking of teams is determined by the results of matches on the basis of matches won as the first criteria.

The rank position within each pool is determined by the following individual criteria in order of application:

1. First criteria: matches won
2. Second criteria: sets quotient
3. Third criteria: points quotient
4. Fourth criteria: direct result of the match between the teams

SPORT RULES AND PROCEDURES

Tiebreak rules

If two or more teams are tied on points, ties will be broken as follows:

- Sets quotient: in the case of equality in the number of matches won by two teams, the teams will be classified in descending order by the quotient resulting from the calculation, the number of all sets won divided by the number of all sets lost.
- Points quotient: in the case of equality in the number of sets won and lost by two tied teams, they will be classified in descending order by the quotient resulting from the calculation, all points scored divided by the total of all points lost during all sets.
- If the tie continues as per the points quotient between the two teams, the ranking priority will be given to the team that won the last match between them.
- When the tie in matches won, sets and points quotients is between three or more teams, a new classification of these teams will be made, taking into consideration only the matches in which they were opposed to each other.
- In the case that the tie is still not resolved, the teams will be ranked according to their current World ParaVolley ranking.

Protests/appeals

Appeals and protests will be in accordance with the appeal procedures section of the World ParaVolley discipline regulations.

Scoring

Matches are the best of five sets. In the first four sets, the winner is the team that reaches 25 points first per set - if a fifth set is necessary, the winner is the first to reach 15 points. In all sets, a margin of at least two points is required for victory.

Competition rules

The sitting volleyball competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The World ParaVolley Official Sitting Volleyball Rules 2017-2020 (available at www.worldparavolley.org/disciplines/sitting-volleyball)
- The World ParaVolley Discipline Regulations (available at www.worldparavolley.org/disciplines/sitting-volleyball)
- The IPC Handbook (available at www.paralympic.org/the-ipc/handbook)

World ParaVolley, working with the Tokyo 2020 Competition management, will be responsible for the technical control and direction of the sitting volleyball competition at the Tokyo 2020 Paralympic Games.

CHANGES SINCE THE RIO 2016 PARALYMPIC GAMES

Liberos can now be changed between matches.

DIFFERENCES FROM THE OLYMPIC GAMES

The competition format and some rules differ from Olympic volleyball in the following ways:

- The net height is lower, and the court and field of play are smaller.
- Players must be sitting on the floor when playing the ball except in a defensive action.
- Players can block and attack the serve.
- The men's and women's tournaments have eight teams rather than 12.
- The tiebreak criteria is different.
