## Competition Format and Rules

Format et règlement des compétitions

As of FRI 23 AUG 2024 8:00

### Paralympic Competition Format

The equestrian competition at the Paris 2024 Paralympic Games will include five grades: I, II, III, IV, V. Competition takes place over three tests: an individual test called the Para Grand Prix A Test; a team test called the Para Grand Prix B Test; and an individual freestyle test called the Para Grand Prix Freestyle Test. Each National Paralympic Committee (NPC) that qualified with a team can participate with a maximum of four athlete and horse combinations and at least one athlete must be in either grade I, II or III. An NPC qualified with only individual athletes is allowed a maximum of two athletes and they can be from any grade. All athletes must participate in the individual test, and the top eight athletes of each grade will be qualified for the individual freestyle. Medals will be awarded in each individual event as well.

For the team test, teams will consist of three athletes from the same NPC selected by the chef d'équipe (team manager) and must include at least one athlete in either grade I or II or III and a maximum of two athletes per grade.

The combined results of each team's three athletes will determine the team score. The team with the highest score will be the winner.

In the team test, each grade competes separately, and each combination will perform a series of pre-determined movements, which will differ by grade.

Grades I, II and III will perform these movements in a 20m by 40m arena, whereas grades IV and V will use a 20m by 60m arena.

The field of play will be surrounded by a low rail, along which eight (grades I, II & III) or 12 (grades IV & V) lettered markers will be placed symmetrically, indicating where movements are to start and finish, and where changes of pace or lead are to occur.

The individual freestyle test will determine the medals for the individual freestyle championship, which differs in format from the other tests as the combinations are required to present their own test, including certain mandatory movements and their own music.

### Sport Rules And Procedures

#### Scoring

A panel of five judges around the arena will assess the movements, awarding each movement with a mark from zero to 10 in half-point increments. There will also be collective marks awarded for the overall performance. The judges' scores will be totalled and converted to a percentage, and the rider with the highest percentage will be declared the winner.

#### Competition rules

The para equestrian competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

The International Equestrian Federation (FEI) Para Dressage Rules (the fourth edition published on 1 January 2024; available at <https://inside.fei.org/fei/disc/para-dressage/rules>)

The FEI Para Equestrian Classification Rules (available at <https://inside.fei.org/fei/disc/para-dressage/rules>)

The FEI Regulations for Equestrian Events at the Paralympic Games (the second edition published 19 December 2023; available at [https://inside.fei.org/system/files/Paralympic%20Regulations%20Paris2024\\_clean.pdf](https://inside.fei.org/system/files/Paralympic%20Regulations%20Paris2024_clean.pdf))

The IPC Handbook (available at [www.paralympic.org/the-ipc/handbook](http://www.paralympic.org/the-ipc/handbook))

The FEI, working with Paris 2024 competition management, will be responsible for the technical control and direction of the equestrian competition at the Paris 2024 Paralympic Games.

## Competition Format and Rules

Format et règlement des compétitions

As of FRI 23 AUG 2024 8:00

### Changes Since the Tokyo 2020 Paralympic Games

In each test, one collective score is awarded for overall performance.

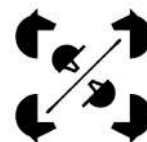

The team event is no longer conducted to music chosen by NPCs. All music will be provided by Paris 2024 competition management.

### Differences From the Olympic Games

- There is no jumping discipline at the Paralympic Games.
- There is no eventing discipline at the Paralympic Games.
- The competition is divided into grades based on sport class.
- Athletes may compete with the use of approved compensating aids.
- Athletes in grades I, II and III may use their voice as an aid when riding their allocated grade.
- There are only five judges in the Paralympic Games rather than seven.
- Athletes from an NPC can share a horse as long as they are in different grades.
- The countdown clock is 60 seconds for the Paralympic Games.
- The arena size changes based on the grade, which then also moves the judges' positions.
- Withdrawing from one test does not exclude an athlete from starting in later tests.
