PARALYMPIC COMPETITION FORMAT

The taekwondo competition at the Paris 2024 Paralympic Games consists of five weight categories each for men and women in the K44 sport class, as follows:

MEN (5)	WOMEN (5)
K44 -58kg	K44 -47kg
K44 -63kg	K44 -52kg
K44 -70kg	K44 -57kg
K44 -80kg	K44 -65kg
K44 +80kg	K44 +65kg

NOTE: - denotes up to that weight category; + denotes over that weight category.

There are 12 athletes competing in each weight category. The athletes are seeded into the bracket during the draw based on August 2024 World Taekwondo Paralympic Ranking (note: if an athlete from the host nation has not been seeded within the top four, based on their WT world para taekwondo ranking, they will be seeded fourth). Each weight category consists of a single elimination tournament, with repechage for the bronze-medal contests. The winner of the final contest will be awarded the gold medal, and the loser will be awarded the silver medal.

The repechage shall be conducted among all contestants in the quarterfinal phase of the tournament. In the repechage, the contestants eliminated in the semifinals during the elimination phase will be seeded directly to each repechage final (bronze-medal contest), but on opposite sides of the bracket. The two winners of the repechage finals (bronze-medal contests) will each receive a bronze medal.

Note: any contestants who have been disqualified from the tournament based on a disciplinary decision from the competition supervisory board cannot advance to the repechage.

SPORT RULES AND PROCEDURES

Competition method

Contests are conducted in a competition area surfaced with matting, which should be installed on a raised podium. The contestants, "chung" (blue) and "hong" (red) compete against each other using kicking techniques performed on permitted parts of the body. The techniques to the face and hits below the lower abdomen are forbidden. Permitted parts of the body are covered with protection.

Contest

Each contest consists of one round of five minutes with a one-minute timeout for each athlete. In the case of a tied score, an additional round of one minute, known as the golden round, will be conducted after a rest period of one minute. The first contestant to score two points in the golden round is the winner.

Scoring format

Points

- One referee, three judges and a review jury manage the contest.
- The trunk PSS registers the kicks automatically. The judges add the technical points for different techniques: one point added for a turning technique; and two points added for a spinning technique.
- For an effective attack to the trunk a contestant is awarded two, three (turning technique) or four (spinning technique) points.
- The central referee cannot award points.

Penalties

There is one type of penalty (deduction): One "gam-jeom" leads to the deduction of one point (one point is awarded to the opponent). If a contestant accumulates 10 penalty deduction points during a contest, then the contest is stopped and the opponent is declared the winner by the referee.

Competition Format and Rules

Format et règlement des compétitions

As of FRI 23 AUG 2024

Score

Contest scores are the sum of the final score at the end of the match. Points and penalties are displayed on electronic scoreboards positioned on the field of play.

In the event of a 30-point difference between competitors at any time during a five-minute round, the referee shall stop the contest and declare the winner by point gap (PTG). The win by point gap (PTG) will be implemented except for the final.

Tiebreak rules

In the event a winner cannot be decided after the completion of the five-minute round, a golden round of one minute will be conducted.

The score will start from zero in the golden round. The winner will be the athlete who scores the first point or whose opponent receives two gam-jeom. A single gam-jeom will not be counted as a point for the opponent during the golden round. However, in the event of a tied score after the end of the golden round, the winner shall be decided by all the refereeing officials on the basis of superiority using the following criteria:

- The contestant who achieved a higher number of hits registered (but below the set hit level) by the PSS during the golden round.
- If the number of registered hits are tied, the athlete who has scored more foot techniques awarding technical points during the one five-minute round shall be declared the winner. (The number of scored technical techniques is counted first. If the athletes have an equal number of technical techniques, one four-point technique is counted higher than one three-point technique.)
- If the number of three- and four-point foot techniques are tied, the contestant who received less gam-jeom during the contest will be declared the winner.
- If the above criteria are the same, the judges shall determine superiority based on the content of the golden round. The three judges will decide the winner based on superiority criteria.

Decisions

Possible decisions about the outcome of the contest are:

1. Win by referee stop the contest (RSC)
2. Win by final score (PTF)
3. Win by points gap (PTG)
4. Win by golden round (GDR)
5. Win by superiority (SUP)
6. Win by withdrawal (WDR)
7. Win by disqualification (DSQ)
8. Win by referee's punitive declaration (PUN)
9. Win by disqualification for unsportsmanlike behaviour (DQB)
10. Invalid result mark (IRM)

Penalties/disqualification rules

When a contestant is disqualified at the weigh-in, a win by disqualification is declared. A contestant can also be disqualified for unsportsmanlike conduct.

Protests/appeals

Coaches on the field of play are allocated one appeal per contest to call for an instant video replay (IVR): if the video jury decides in favour of the coach making the request, the coach keeps their original quota for the rest of the contest, i.e. a successful appeal does not use up an appeal quota.

Competition rules

The para taekwondo competition will be held in accordance with the editions of the following documents that are in force at the time of the Games:

- The World Para Taekwondo Competition Rules (available at <http://m.worldtaekwondo.org/rules-wt/rules.html?sc=03>)
- The WT Standing Procedures for Taekwondo Competition at Paralympic Games (available at <http://m.worldtaekwondo.org/rules-wt/rules.html?sc=03>)
- The IPC Handbook (available at www.paralympic.org/the-ipc/handbook)

The WT, working with Paris 2024 competition management, will be responsible for the technical control and direction of the taekwondo competition at the Paris 2024 Paralympic Games.

DIFFERENCES BETWEEN THE WT WORLD PARA TAEKWONDO CHAMPIONSHIPS AND THE PARALYMPIC GAMES

The sport classes in WT World Para Taekwondo Championships are as follows:

MEN	WOMEN
K41	K41
K44	K44

At the Paralympic Games, athletes compete in the K44 division.

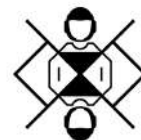

DIFFERENCES FROM THE TOKYO 2020 PARALYMPIC GAMES

- An additional two medal events have been added per gender, for a total of five events per gender at Paris 2024.
- The weight categories have changed for Paris 2024.
- The K44 sport class has changed. For Paris 2024, K44 includes athletes who were previously classified as K42 and K43.
- Taekwondo at the Paris 2024 Paralympic Games will use a one-round match format. Competition at the Tokyo 2020 Paralympic Games used a three-round format.

DIFFERENCES FROM THE OLYMPIC GAMES

- There are fewer taekwondo athletes at the Paralympic Games, 120 compared with 128 at the Olympic Games.
- There are more taekwondo medal events at the Paralympic Games, 10 compared with eight at the Olympic Games.
- At the Paralympic Games, taekwondo uses a one-round match format. At the Olympic Games, taekwondo uses a best-of-three round format.
- There are no head kicks allowed in Paralympic Games competition.
- Athletes receive warnings for dangerous and unsafe plays at the Paralympic Games.
- There are some scoring differences between the Olympic Games and the Paralympic Games (e.g. back kick scores three points rather than four; and a punch does not score any points in the Paralympic Games). Please refer to the para taekwondo competition rules.
- At the Olympic Games, only athletes eliminated by the finalists proceed to the repechage, while at the Paralympic Games athletes eliminated from the quarterfinals proceed to the repechage.
